UTKRISHT SANSTHAN VISHWAKARMA AWARD (USVA) 2020

All India Council for Technical Education (AICTE) is a statutory body established by an Act of Parliament with a view to proper planning and co-ordinated development of the Technical Education system throughout the country, the promotion of qualitative improvement of such education in relation to planned quantitative growth and the regulation and proper maintenance of norms and standards in the technical education system and for matters connected therewith.

The **AICTE Vishwakarma Awards** is being organised by AICTE for promoting innovative spirit and scientific temperament for holistic development of society through the stake holders of its approved institutes. By means of this competition, the innovations, achievements and social contribution of individuals and institutions/ organizations shall be recognized and applauded.

The **Vishwakarma Awards** are inspired by the spirit of engineering and creation patronized by Lord Vishwakarma, the ruling deity of construction practices in India. As per Rigveda, **Lord Vishwakarma** is considered to be deity who is the original creator, architect and divine engineer of the universe. The Awards are thus a means to provide a platform for our stake holders to look at the societal challenges, with an aim to provide **an innovative and low cost solutions**. However, it is not merely a competition- it will also encourage the students, faculties and institutions to bring about sustainable solution to problems. These awards are an embodiment of encouraging truly successful efforts that have made a mark on the society in terms of delivering better outputs & processes and creating higher benchmarks.

Under this, one of the category is **Utkrisht Sansthan Vishwakarma Award**, which aims to motivate, recognize and honour the AICTE approved institutions to raise their performance in the specific domain leading to significant contribution for the growth and development of the society. The objective is to foster an ecosystem where institutional support is made available/ rendered on voluntary basis in form of interventions over a sustained period of time leading to measureable outcome.

This year, India is facing an extraordinary challenge to protect citizens from the rapidly spreading COVID-19 pandemic all around the globe. The government in pursuit of garnering maximum efforts against this pandemic, which demands the contribution of youth to act against the spread of COVID-19 across India.

The Problem Statement:

As we face our biggest challenge to contain the spread of COVID -19 in India and the technical education community in the country being well-capable of serving the community by utilizing its vast knowledge and ample resources. Hence, AICTE under its **Utkrisht Sansthan Vishwakarma Award (USVA) 2020** is proposing the theme of the year as ***"INDIA FIGHTS CORONA"***.
