

REPORT on IEEE XPLORE

EVENT : 1

Name of the Event: IEEE XPLORE

Date: 17TH July, 2019

Time: 3:00 AM to 4:20 p.m

Total number of participants: 59

BVRITH IEEE SB UDBHAVA Advisor: Dr. K.V. N. Sunitha, Principal

BVRITH IEEE SB UDBHAVA Counselor: DR. M. Parvathi, Prof.ECE Dept.

BVRITH IEEE SB UDBHAVA Chair: Ms.V Manasa, Student IV ECE

Venue: BVRIT Hyderabad College Of Engineering for Women

The BVRITH IEEE chapter organized a 'IEEE Xplore' on 17th July, 2019 on 'Delivering Research Better Than Ever' given by, Mr. M S Srinivasa, IEEE Manager South. The event was inaugurated at 3:00pm in the afternoon. Our Student branch Counselor, Dr.M. Parvathi, gave a few introductory remarks and a brief introduction about our speaker, Mr. M S Srinivasa . This was followed by a very informative lecture by our speaker. It provided a great light to students on 'IEEE Xplore: Delivering Research Better Than Ever'.

The seminar started with an introduction to the IEEE Xplore and its implementation followed by its improvements to the previous version of IEEE Xplore and its benefits to Computer Science students. Later on, various ways of finding Journals and Magazines, courses, conferences, books, authors using its updated search bar. Further we learnt how to use IEEE Xplore through our college library systems with recognized IP Address. We also had a glance of how to get the reference code and execution of it.

A total of 59 students were present for the Hands On session of IEEE Xplore. The event was a success and a follow up event will be held on 24th July, 2019.

Feedback:

Jahnvi, 3th year -ECE: It was very nice to attend session on IEEE Xplore and to know about all the features that benefits a student with IEEE Xplore Online.

Anusha, 2nd year-EEE: The speaker was very good and the session was a very interactive one.

REPORT on THE ROLE OF GIS IN DISASTER MANAGEMENT IN THE PRESENT DAY SCENARIO

EVENT: 2

Event Name: TECHNICAL TALK ON 'THE ROLE OF GIS IN DISASTER MANAGEMENT IN THE PRESENT DAY SCENARIO'

Date: 24TH July, 2019

Time: 10:00 AM to 12:00 PM

Total number of participants: 95

BVRITH IEEE SB UDBHAVA Advisor: Dr. K.V. N. Sunitha, Principal

BVRITH IEEE SB UDBHAVA Counselor: Dr. M. Parvathi, Prof.ECE Dept.

BVRITH IEEE SB UDBHAVA Chair: Ms.V Manasa, Student IV ECE

Venue: BVRIT Hyderabad College of Engineering for Women

The BVRITH IEEE chapter organized a 'Technical Talk' on 24th July, 2019 on 'The Role Of GIS In Disaster Management In The Present Day Scenario ' given by, Dr. V. Bhanu Murthy, Outstanding scientist/Associate Director NRSC. The event was inaugurated at 10:00 in the morning, with a few encouraging words by our IEEE Student member Ms. Deepika and the guest was honored by our beloved Principal, Dr.K V N Sunitha. Our Student branch Counselor, Dr. Parvathi, gave a few introductory remarks and a brief introduction about our speaker, Dr. V. Bhanu Murthy. This was followed by an inspiring and very informative lecture by our speaker. It provided a great light to students to work on 'Disaster Management'.

The seminar started with an introduction about the role of GIS in Disaster Management instead of other technologies and their implementation followed by the Disaster Management and its effects on day to day life. Later on, various methods how GIS is contributing to the Disaster Management with their applications of remote sensing like Bhuvan. We also had a glance of .

Conclusion:

Overall, it was a productive seminar and we acquired much more knowledge in this multidisciplinary field 'Disaster Management' .The event was a success.

Feedback:

1. Sravani- Student ECE 3th year:"I learnt about GIS and the role of GIS in disaster management. Its a quick start to implement projects on Disaster Management."
2. Priyamvada- Student CSE 2th year- "The session was interactive and the very importance of the field 'Disaster Management' was highlighted."
