Assistant Professor, BVRITH

About College

BVRIT HYDERABAD College of Engineering for Women is established by Sri Vishnu Educational Society in the year 2012. It started with the noble mission of creating women technocrats with an intake of 240 students. Since its inception it has grown in stature to an institution of considerable repute under JNTUH affiliated Engineering colleges. It stands in the Top Three position in pass percentage. It is the vision of our Founder Chairman Sri.K.V.Vishnu Raju garu to enable young women to unchain barriers and reach greater heights. The Institute is duly approved by the All India Council for Technical Education and the Government of Telangana State and is affiliated to Jawaharlal Nehru Technological University, HYDERABAD. Students of BVRIT HYDERABAD are placed in top companies like Microsoft, Amazon, NDOT, John Deere, CA Technologies, HP etc and are maintaining the unbeatable record for the past three years. Ms Meher Rishika Noori of CSE represented INDIA in the World Skills Competition, IT Solutions for Business held at Abu Dhabi, 2017.

**A Two-day International Virtual Conference on
ELT in India: Tradition vs Innovation**

6th & 7th JULY 2023

Organized by

Department of Basic Sciences & Humanities

**BVRIT HYDERABAD
College of Engineering for Women**

Bachupally, 8-5/4, Nizampet Rd,
Opposite Rajiv Gandhi Nagar Colony,
Hyderabad, Telangana 500090

About Conference

The past couple of years witnessed a gargantuan change in the teaching-learning scenario. English language also went through its fair share of metamorphosis. The journey of English from languid, prosaic, florid style to functional, chiseled style has been remarkable. The guises of English have been ever changing. Even though Literature Departments continue English teaching with “grace, clarity and energy”, the mushrooming of engineering and technical colleges, the onslaught of pandemic has added many new dimensions to English-learning. Today, English has on its platter the vivacity of literature and the functionality of Communicative English.

Scope of Conference

This conference will focus on the new trends of English language learning. We invite papers which will discuss the new trends with reference the sub-themes given below:

Conference Sub-Themes

- Language and Globalization
- Online Communication
- Language and Technology
- Emphasis on Language Skills
- Relevance of Language in Employability Skills
- Innovation and Creativity
- ICT in Teaching Learning, Experiential Learning, Virtual Learning, Self-paced Learning, Blended, Flipped & Hybrid Learning, Constructivist Pedagogy, Project Based
- ICT in Business Communication
- Research methodology

Note: Abstract on Full paper submit to
Mail:- conference2023bvrith@gmail.com
