Faculty name: Dr S Faith Manjusha Vijayalatha

Topic: Written and spoken communication

Date of conduction: 31.08.2018

Class/Year/Semester: I CSE A/2018-19/I

Brief write up:

Communicating in English is the most common problem faced by students. Most of them are not clear of the difference between spoken and written communication.

The present activity is planned to make the students aware of the differences between spoken and written communication in English.

Procedure:

Teacher groups students into 6/7 depending upon the strength of the class. Students go through the topic and take help/guidance from the teacher if required and present their information to the peers. The presentation is reviewed by the teacher to make the information clear.
