**Topic:** UNIT I Complex Analysis

**Date of Conduction:** 28.08.18

**Class / Year / Semester:** II ECE A & B / 2018-19 / I Sem

#### **Brief Write-up**

Students cannot improve their knowledge from textbooks alone. They must be take part in various seminars on latest topics. Seminars provide latest information about the things which are happening in science and technology. Seminars also help them to convey their own ideas to their friends and teachers. Students will start thinking about new things which they think could be implemented practically.
