Name of the Program: Ganesh Idols distribution

Date: 27-08-14

No. of Participants: 43

Brief Report of the Event:

Ganesh Utsav, a 10 day celebration of the birth of Lord Ganesha, one of the most anticipated festivals which involves installation of ganesh idols, along with decorative items like pandals, flowers and other items. The idols made of Plaster of Paris which is insoluble in water bodies cause tremendous damage to the marine ecosystem. To fight these challenges during the festival and to protect the environment, NSS volunteers of BVRIT HYDERABAD College of Engineering for Women came up with conduction of clay idol making competition and free distribution in and around Bachupally that dissolve in water without polluting it with toxins.
