Name of the Program: Science Fair for Shamsheeguda Govt High School Children

Date: 02-03-2019

No. of Participants: 30

Brief Report of the Event:

One of the most precious, valuable subjects is Science. We come across Science in our day-to-day life. Almost everything we see is based on Science. All we need to do is just understand the principle behind it. So, Sahaya society in coordination with NSS BVRITH-for the people conducted Science Fair for government school students on 02/03/2019 to bring out their talents in the field of science and to make them aware of practical sciences. Students too showed a keen interest in science fair and put their heart and soul to work on their projects. This is the opportunity to put their theoretical knowledge into practical application. Sahaya society also takes the initiative to provide them all the necessary equipments for their projects. NSS volunteers of BVRITH helped the students to come out students outstanding ideas to practical experiments and the projects made by them were really appreciated.

Name of the Program: Field Trip for Shamsheeguda Govt High School Children to BVRITH

Date: 02-02-2019

No. of Participants: 40

Brief Report of the Event:

Self Motivation is always a best motivation. When we explore more about the world, our dreams, aspirations increase and hence we become more and more confident to face this competing world. Field trip is one of the most successful educational trips not only to gain knowledge but also to get the idea of value of higher education. On 02/02/2019 a field trip was organized by SAHAYA wherein students of Govtschool, Shamsheeguda visited BVRITH College of Engg for Women to explore more on how higher education is and the benefits of it. They are even given a chance to visit each and each lab, library, class rooms of colleges, so that they could aspire to pursue higher education. During this, lecturers teach them about the working of regular used machines.

NSS UNIT-BVRITH FOR THE PEOPLE

Name of the Program: Maths Classes for Shamsheeguda Govt High School Children

Date: 19-01- 2019

No. of Participants: 30

Brief Report of the Event:

Maths is a subject which is commonly found to be hard for many people. Most students start hating maths when they don't have a strong knowledge of basics. NSS BVRITH-for the people taught basics like multiplication, division, fractions, decimal number operation for grade 5,6 classes in Govt school. Such basic topics make students strong enough to solve problems. To help weak students, NSS volunteers first test how strong is their basics and then help to build a strong base. To create interest in them several activities like quiz, models, problem solving capabilities were conducted and prizes were given to the winners. The patience and regular follow up of such activities by volunteers make the students start doing problems with more interest.

Name of the Program: National Pollution Prevention Day Celebrations

Date: 03-12-2018

No. of Participants: 36

Brief Report of the Event:

Pollution is a major problem that India is not only facing, but the whole world is battling with it. To create awareness about the **effects of pollution, problems that people are facing because of it**, NSS BVRITH celebrated National Pollution prevention day on 03-12-2018 at BVRIT Hyderabad Campus. It is very important to manage the Pollution for making the Environment clean and better to live in it. It is very important for people to get every knowledge of the Pollution to reduce it for making a better World of Clean Environment without Pollution. Pollution problem mainly occurs in those areas where there are lots of Vehicles running on the Roads. In this occasion, NSS volunteers request all the students and faculty to use public transport to reduce the private vehicles. BVRITH College management also encourage students to use metro service by providing the free shuttle service to students and faculty from METRO station to college.

Name of the Program: NSS Day Celebrations

Date: 24-09-2018

No. of Participants: 265

Brief Report of the Event:

NSS BVRITH- for the people celebrated the Golden Jubilee of NSS Foundation Day on 24th September 2018 at 3.00 p.m. in the Seminar Hall, Diamond Block. Students, teaching and non teaching staff participated in the event. NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day. The Honourable Principal Dr.KVNSunitha, inaugurated the program and spoke about the relevance and significance of NSS in the post-modern scenario. On the occasion, NSS volunteers presented a patriotic song, a skit and also spoke on the present evils in the society. The programs like essay writing competition on plastic waste management, skit on impact of plastic on environment were conducted. The program was enriched by the cultural presentations by the volunteers followed by NSS oath. The students' involvement is truly appreciable.

NSS UNIT-BVRITH FOR THE PEOPLE

Name of the Program: NSS Orientation Program

Date: 28-07-2018

No. of Participants: 280

Brief Report of the Event:

The NSS Orientation Program (for newly joined first year students) was organized by NSS Unit of BVRITH on 28.07.2018 at 3.00 p.m. at Seminar Hall, Diamond Block. Dr.V.Madhavi, NSS Program officer, BVRITH, welcomed the gathering. The Principal Dr. K V N Sunitha, BVRITH delivered a brief history of NSS and the importance of NSS team to the society. She also explained about the NSS general activities and special camp activities to all the students. Finally, Dr.B.Tanuja, Asst Professor concluded the session by a formal vote of thanks. The NSS volunteers arranged the entire programme and the programme was a grand success. There were nearly 400 first year students who took advantage of the programme and understood about the functioning of NSS. Nearly 24 NSS senior volunteers actively participated in arranging the programme.

Objective of the Programme

1. To understand about NSS Motto.
2. To understand about functioning of NSS.
3. To understand about the important thrust areas where we can work like cleanliness, fitness, gender issues etc.,
4. To understand the community in which they work.
5. To understand themselves in relation to their community.
