Report on Fresher's Party

The much-awaited **PARICHAY2K23** was celebrated on 20th September 2023. The preparations for the fresher's day began on 15th September. The purpose of fresher's party is to welcome new students and to encourage their creative impulses to boost their confidence. It is a day where seniors and juniors bond and unite to celebrate the bliss for being a part of the college.

The program started with lamp lightening by our beloved Principal Dr. K.V.N Sunitha garu, Vice Principal Dr. Chava Sunil Kumar garu, Professor in charge Academics, Dr. J. Naga Vishnu Vardhan, and all HOD's of various departments.

The theme, **RED CARPET** was revealed on 20th September by our Principal Dr. K.V.N Sunitha garu. The occasion was celebrated among the staff and students of the college.

The objective of the party was "Creating an Anti-Raging Environment among New Students". It was a colorful occasion as freshers were dressed in their best attire. The Fresher's Day explored the latest talent of the juniors in dancing, singing, and staging innovative skits. It had a fun-filled atmosphere depicting the richness of the youth in all its colorfulness. The senior student representatives from different streams of engineering hosted the show and the first years' lived up to the expectations by displaying variety in their talents.
