The Fine Arts Club of BVRITH successfully organized a **Cooking Without Flame Competition** on 28th September 2024, providing a platform for students to showcase their talent and creativity in cooking without flame and preserving the vitamins in that product. The event witnessed enthusiastic participation from 24 talented students, each bringing their unique preparation and presentation techniques to the competition.

Event Proceedings:

Judges, Ms.K.Brundadevi and Ms. T. Mounika, were invited to taste and evaluate the presentations based on the following criteria.

- Creativity
- Presentation and neatness
- Protecting the nutritional value
- Overall presentation and clarity

Prize Distribution:

After the competition, the judges took some time to carefully review the presentations and assess them based on the criteria. Following the evaluation, the top two winners were announced and awarded prizes:

First Prize: Ms.Khatoon - 22WH1A04A5

Second Prize: Ms. P. Sree Priya - 22WH1A0470

All participants received certificates of participation, appreciating their efforts and encouraging them to continue to participate and encourage healthy food habits.
